

About Us

With 25 years in the hospitality business, we moved our expertise and knowledge from Aberdeen to Aviemore 12 years ago. Our aim is to provide our customers with a "home-from-home" experience, including personal touches and a focus on comfort so you can escape "the rigours of everyday life". Knowing how hard that is, we want you to turn the key, relax, enjoy and absorb the therapy that our quality homes and the stunning Speyside countryside will provide you.

Welcome!

We provide quality self catering holiday accommodation in Aviemore, situated in the heart of the Cairngorm National Park in the Highlands of Scotland. Aviemore Holiday Homes offers all the family "home-from-home" living in one of the most beautiful and visited parts of Scotland. All properties specifically cater for families or couples and provide the perfect location (1 mile to town center, ½ mile to sports club (membership included at minimum cost), restaurant and bar, golf course, swimming pool, gymnasium, sauna, river fishing) to enjoy all outdoor activities, (including ski-ing 13 miles away), and of course, relaxing - basically, doing all that you deserve on holiday!

Your own private home in the heart of the Cairngorm National Park.

Our aim is to provide our customers with a "home-from-home" unforgettable experience.
